SIERRA MADRE, CALIF.

THURSDAY, JULY 27, 1950

VOL. 44, NO. 37

Around
the Square

Notice anything different?
It's our new headline type
face, which appears in the
NEWS for the first time this
issue.

The new type is called Futura Demibold—but we'll just refer to it as "24 point" for short. A point is one of several basic units of measurement used by printers.

The NEWS presents this new type face as part of its continuous campaign for easier readability and better appearance.

Francis Eakman, who in the past has led several campaigns to benefit Sierra Madre, this week offers another good idea. He proposes a "Smile Week" for residents.

A civic organization would sponsor "Smile Week" and would supervise the distribution of lapel tags to be worn by citizens. The tags might say:

"I'm Smiling, Are You?"

Let's all try to pick a name for the mannequin in Don Jackson's store—you know, the realistic-looking one you feel like conversing with when you walk in the door.

We've been having some fine baseball games every Sunday at city ball park. But the high-quality of ball demonstrated by the Sierra Madre VFW Raiders should be matched by a high-quality of public support. With only 40 fans at last Sunday afternoon's game, this has not been the case. How about it?

During the "intermission" at Tuesday night's meeting of the City Council—the lull between the new and old business on the agenda when members of the audience are asked if they want to say anything—Mayor Kinney looked around the Council Chambers and remarked:

"We haven't heard from you yet this evening, Mrs. (Mae) de Wright."

Said Mrs. de Wright: "It's too hot a night for comment of any kind."

SUMMER SCHOOL
ENDS TOMORROW

Summer School at Sierra Madre City School will close tomorrow, July 28, ending a four-week session.

Superintendent Charles A. Skutt said attendance at the school averaged from 40 to 45 students.

Mrs. Mary Foote was instructor for grades 1, 2, and 3; Philip Mitchell taught the 4th, 5th, and 6th grades. The summer instruction was principally of a remedial nature.

Play Ball!

City Softball to Begin

Sierra Madre's Twilight Softball League is getting underway this week with a practice game scheduled for this afternoon, from 4 to 6, at the City School diamond.

Today's game will find the Boys' Christian League Juniors playing the Congregational Church Juniors. Yesterday afternoon, the senior teams of both organizations met in a practice game.

Recreation Director Samuel

DIVING TIPS are given youngsters of one of the beginning swimming classes which started Monday at the Canyon Pool under the sponsorship of the Sierra Madre Chapter, American Red Cross. Instructor Mrs. Audrey Smith (left) explains a diving stance to her young pupils, using 12-year-old Richard Archibald as a "model." At far right is Lifeguard Shirlee Peterson. Sierra Madre NEWS Photo

Red Cross Swim Class
Reported 'Largest Yet'

A record number of Sierra Madre boys and girls turned out Monday morning to enroll for the annual summer Swimming Campaign sponsored by the local chapter of American Red Cross.

Mrs. John McDonnell, chairman of the ARC water safety program, said the swim class enrollment Monday was "much larger than ever before." She said at least 155 Sierra Madreans are registered for the first of two three-week sessions.

Instruction in beginning, intermediate, swimmer, advanced, and life saving phases of swimming accomplishment is offered by Instructor Mrs. Audrey Smith.

The various classes meet daily between the hours of 9 a. m. and 12 noon at the Canyon Pool.

A second swimming class is scheduled to follow this one when it ends Friday, Aug. 11. The second session will begin Monday, Aug. 14, and end on Sept. 2. Registration for the second half of the summer swim campaign will be on the opening morning, Aug. 14.

Mrs. McDonnell said youngsters and teenagers now out of town are invited to sign up for the second session, which will offer exactly the same instruction. The classes are free of charge.

Escapee May
Head For City

Two Sierra Madre families were alerted by police Tuesday when it was believed one of two escapees from the Mendocino State Mental Hospital may come to their homes looking for his ex-wife.

Andrew E. Edison, the escapee, police think, might possibly come to Sierra Madre, is described as "dangerous." Mendocino State Hospital officials say he has threatened to kill several Los Angeles judges.

Edison's ex-wife, Mrs. Theo-

CITY SCHOOL OFFICES
WILL CLOSE AUG. 3, 4

Offices at Sierra Madre City School will be closed two days of next week.

Superintendent Charles A. Skutt announces that the offices will be closed Thursday and Friday, Aug. 3 and 4, because of vacations of office workers.

CALL ISSUED FOR
DAY CAMP WORKERS

Another appeal for volunteer workers and counselors for Sierra Madre's city-sponsored Day Camp was voiced this week by Recreation Director Samuel E. McElfresh.

"We need approximately 20 workers to make the camp a success," Mr. McElfresh said. Day Camp this year is scheduled for the last two weeks of next month, Aug. 21 to Sept. 1.

Chamber Withdraws Request
For 'One-Hour' Parking Law

Chamber of Commerce Directors Monday night voted to withdraw their request that the City Council inaugurate one-hour parking in the business district of Sierra Madre.

The Chamber will ask, however, that the present two-hour parking limit be enforced by the city. At the same time, Chambermen authorized Secretary Al S. Myers to send a letter to all merchants, asking their cooperation in not parking their cars on business-area streets.

Possibility of acquiring land for off-street parking still is being investigated by the Chamber of Commerce, and Sam Perloff was appointed to the committee working on this project. Other members of the committee are Sam Davis, Ralph Hurwit, Al Suman, John Osgood, and Mr. Myers.

President A. E. Morgan pointed out that the Chamber at present "is working on two main projects," one is the off-street parking plan, and the other concerns converting the PE Depot into a combined city art gallery and Chamber office.

When Pacific Electric Railway Company turns the depot over to the city, the Chamber hopes to landscape the triangular piece of ground and establish the art gallery and Chamber office.

Tentative City
Budget To Be
Ready Aug. 8

Sierra Madre's preliminary municipal budget for the fiscal year 1950-51 will be completed in time for the next meeting of the City Council on Aug. 8, Mayor William A. Kinney said Tuesday.

In answer to a question asking if the tentative budget would be ready in time to allow interested citizens a chance to study it prior to the legal date for adoption, Mayor Kinney said:

"We will make every effort to have the first draft completed by the first meeting in August."

Masonic Lodge Will Hear
State Legion Commander

Masons of Sierra Madre Lodge No. 408, F. and A. M., will hear State American Legion Commander Lewis K. Gough tomorrow night, July 28, during a dinner meeting at the Masonic Temple.

Mr. Gough, who has served on several American Legion National commissions for national security and Naval affairs, will speak on the subject, "Strategy for Peace."

At present an inheritance appraiser for the state of California, Mr. Gough formerly was public relations officer and assistant to the president and executive director of the University of Southern California Alumni Association.

Mr. Gough was graduated from SC in 1931, earning bachelor of science and arts degrees. He was active in Trojan campus activities and was elected to Phi Kappa Phi, national scholastic honorary fraternity. He served as manager of the Daily Trojan, SC campus newspaper.

During the war, Mr. Gough served for four years in the Navy with the rank of commander. He served on staffs of two admirals and was a part-time aide to the Secretary of the Navy. The Legion chief was instrumental in the organization of the 11th Battalion, U.S. Naval Reserve. In 1948, he was appointed to the Civilian Research Commission of the Navy.

He was appointed Southern California chairman of the Civilian National Security Committee in 1947 by Justice Owen Roberts. National security always has been the concern of Mr. Gough and, from 1947 to '48, he averaged six talks weekly to civic, service, and community groups on the subject.

The Masonic dinner Friday evening will begin at 6:30.

Engineer Firm
Will Aid City
Water Project

The City Council Tuesday night adopted a resolution authorizing the hiring of an engineering firm to help the city in its water diversion project. The firm, Quintin Engineering Inc., will help prepare maps and detailed plans, and advise the city on letting contracts for the city's program to divert water from the Big Santa Anita.

A contract with the engineering corporation is expected to be signed Friday evening during a brief adjourned session immediately preceding the Disaster Council meeting.

Quintin Engineering Inc. was one of several firms recommended by the Los Angeles County Flood Control District, according to Councilmen Herman Barter. The company's bid was selected from three other firms which indicated an interest in the job.

Mayor Calls Meeting
For Disaster PlansSTORES FEATURE
SPECIAL VALUES
IN BIG SALE

Encouraging shoppers to "Shop in Sierra Madre," most stores in town are presenting month-end and week-end special sales this week.

Offering values ranging from ivory-pattern dish sets to complete household furnishings and from amazing shoe values to gay Hawaiian shirts and dainty cool blouses, the sale is being sponsored by nearly all local merchants.

Some of the special sale features still will be offered next week.

Public Invited to Friday Session
For Forming Disaster Council

Mayor William A. Kinney this week called a meeting of citizens to help organize a City Disaster Council. The meeting will be held Friday evening, July 28, at 8 o'clock in the City Hall Council Chambers.

From this meeting is expected to come Sierra Madre's answer to recent alarming international developments and the threat of war. The necessary groundwork will be laid for this city's role in any future national civilian defense plans.

Mayor Kinney, who will be commander of the Disaster Council, announced two other appointments at the Tuesday meeting of the City Council. The appointments, and Mr. Kinney's office of commander, are authorized under the Disaster Council Ordinance which was adopted by the City Council on Mar. 8, 1949.

Appointed vice-commander Tuesday night was Councilman Noren Eaton. City Clerk Lawrence B. Brain was appointed executive officer. Mr. Brain's duties will include selecting citizens for the various disaster chart positions.

The mayor said key positions and department heads called for in the Disaster Council Ordinance will be filled at tomorrow night's meeting. It was understood that nine department chiefs are to be selected as follows:

1. Law and Order Division;
2. Fire Division;
3. Medical Division;
4. Public Works Division;
5. Utilities Division;
6. Transportation Division;
- 7.

MAYOR KINNEY'S LETTER:

(Editor's note: This is the text of the letter sent this week to approximately 30 citizens by Mayor William A. Kinney.)

Dear Fellow Citizen:

The time is appropriate to prepare ourselves for emergencies. A city ordinance of March, 1949, establishes the outline of a Disaster Council for Sierra Madre. Due to the press of other business nothing has been done about it except in a very preliminary way.

On Friday evening at 8:00 o'clock in the City Hall there will be a meeting of citizens like yourself to meet with the City Council for the purpose of establishing an organization and to make plans to get the Disaster Council into operation.

It is our very sincere hope that each one to whom this letter is directed be present at the meeting.

Sincerely,
W. A. KINNEY,
Mayor, City of Sierra Madre.

City Starts Street Local Man
Repair Program

Repair of several city streets was started this week as employees undertook clean-up work as a preliminary to sealcoating. According to Public Works Director Harry H. Shatto, the "clean-up work" involves patching, killing weeds, and replacing curbs and gutters.

Mr. Shatto said actual sealcoating operations will begin next week as soon as the streets are ready.

City workmen began Monday morning on preparing San Gabriel Court for the repair work.

The City Council Tuesday night adopted a resolution asking the County Board of Supervisors to appropriate a total \$21,535.59 from undistributed "aid to cities" funds for certain secondary Sierra Madre streets.

On June 27, the Council listed the following streets for repair: Orange Grove, part of Alegria, part of Carter, San Gabriel Court, part of Sunny-side, Auburn between Sierra Madre boulevard and Highland, Canyon Road, Mountain Trail, and Sturtevant Drive.

The resolution adopted Tuesday night also stipulated Highland avenue, from Lima to Hermosa and from Baldwin to

CITY PARK GETS
NEW SIDEWALKS

City workmen last week completed sidewalks for the southern half of the City Park.

Public Works Director Harry H. Shatto said the park walks were paved with asphaltic concrete. Northern portions of the park will have their walks resurfaced next, he said.

The city also is planning to lay additional soil around many of the trees and shrubs in the park. Mr. Shatto said frequent raking and watering have carried away much of the soil and, in some cases, roots have been laid bare.

Troubles Just Seemed to
Multiply Last Week

Alfredo Jaramillo Sanchez, 97 N. Lima.

He spent Thursday night in the city jail; then paid \$20 before Judge John C. Mead Friday morning for drunkenness.

On Saturday morning, Mr. Sanchez appeared again before Judge Mead—this time on charges of "habitual drunkenness in the presence of children." The children referred to are his own.

According to police, Mr. Sanchez had no sooner left court Friday when he purchased another bottle of liquor. In a matter of hours, he was back in jail.

The defendant at first flatly denied the charge and asked for a trial. He was being escorted back to his cell when he changed his mind.

"I might as well plead guilty and see what I get," he told Judge Mead.

The sentence: 120 days in the County Jail with recommendation that he be sent to the Wayside Honor Farm. One day of the sentence was suspended.

Noren Eatons Buy Alegria Avenue Residence

Councilman and Mrs. Noren Eaton will soon be residents of Alegria avenue. They recently purchased the home at 145 E. Alegria, adjacent to the Pritchard home, and will be moving from East Sierra Madre boulevard in a few weeks.

Mrs. Custer Ends Beach Vacation

Mrs. Ruth Custer, city clerk, returned to Sierra Madre last week after vacationing at Capistrano Beach. She spent the first of her two-week vacation at home, however, "just working around the house and yard."

The Joe Custers have two children, Susan and Sandra, and live at 68 W. Miramonte.

CITY CANCELS OLD TAX SALES

More than a dozen old Sierra Madre tax sales were cancelled by the City Council Tuesday when it was pointed out there never would be a chance for collecting them.

The outlawed tax sales concerned parcels of real property which had been sold for delinquent taxes more than 30 years ago.

City Attorney T. Guy Cornyn remarked that since there was no chance of collecting, the cancellations are desirable just to "clear the records." A resolution was adopted cancelling the taxes.

Local Bowlers Finish Second In League Play

The Sierra Madre Merchants Bowling team closed a successful season in the "825" Scratch League this week, amassing a team high series of 2632. The local keggers finished in second place in the league.

The merchants team was sponsored by Harry Lange, Insurance, Joe Scalzo's Pet Shop, Don Jackson Men's Shop, The Bank of Sierra Madre, and Roberts Market.

Joe Murphy and Harry Mazaro placed second in the doubles sweepstake match with a score of 1149. Andy Liscomb and Lon Reynolds were third with 1148.

Individual high game honors went to Sierra Madrean Ralph Valencia who captured first place with a score of 237.

The Sierra Madre Merchants Bowling team again will compete in the "850" Scratch League during the fall and winter months. League play will start approximately Sept. 15 on the Arcadia Bowling lanes.

FOOD POISONING CASES SOAR 700%

Food poisoning cases reported in Los Angeles County have jumped 700 per cent this year over a comparable period in a normal year.

This statement was made by Dr. Roy O. Gilbert, county health officer, who added that picnics and barbecues are two of the most potent sources of food poisoning at this season of the year.

"When it is necessary to prepare food ahead of time for outings, adequate refrigeration should be provided until it is served," he advised.

The health officer said this is particularly true of meats, salads, or sandwiches that contain mayonnaise and creamed pastries.

RETIREMENT PLAN FOR NOV. BALLOT

Benjamin S. Hite, County Registrar of Voters, hands Deputy Sheriff John J. Coady, the certificate of verification of signatures required to place on the November 7 ballot the proposition for the new Peace Officers and Firemen's Retirement System of Los Angeles County.

Representing the various county services to benefit from the ordinance are: Lieut. Harry Dean, County District Attorney's Office; Capt. Ward M. Kleinsmith, Co. Fire Warden's Office; Inspector E. L. Siehler, Sheriff's Office; Capt. Carl R. Blymiller of the Co. Fire Department and Lieut. Paul C. Gentry of the Marshal's Office.

The ordinance will place the management and operation of the new retirement system in the hands of a board of administration made up of seven members, three of whom shall be appointed by the County Board of Supervisors; one from active members in the Peace Officers Service; one from active members in the Fire Service; and one from members retired from both services.

"One of the major objectives of the new Peace Officers and Firemen's Retirement System of Los Angeles County, is to set forth certain definite regulations governing the retirement status of each man upon completion of his service, covered by the Retirement system," says Deputy Sheriff John J. Coady, chairman of the Campaign for the Retirement Plan.

Skutt Attends County Confab On Curriculum

Sierra Madre City School Superintendent Charles A. Skutt, last week attended sessions of the Curriculum Workshop, sponsored for school administrators by the Los Angeles County School System.

Meeting daily in El Monte and Bellflower, the administrators studied present curriculums of county schools with a view toward improving them wherever possible. It was the first time such a workshop has ever been conducted on the county-wide level.

Included among the speakers addressing the school administrators were Dr. Robert Gilchrist, deputy superintendent of Pasadena City Schools; Dr. I. James Quillen of Stanford University; Dr. Lou LaBrant of New York University; and Dr. C. C. Trillingham, superintendent of Los Angeles County Schools.

Dr. Gilchrist spoke Monday on the subject, "What Is a Good Educational Program?" Dr. Quillen discussed "What Is the Social Studies Program?" Dr. LaBrant spoke on the language arts programs of schools; and Dr. Trillingham analyzed the public relations program of public schools.

Open discussion periods followed each talk. During the morning, county educators visited the various classrooms in session in El Monte.

SCALZO MOURNS DEATH OF 'IGIE'

Joe Scalzo today is mourning the death of "Igie."

The foot-long lizard died early this week, ending a career of entertaining children and passers-by from the pet shop window.

"Igie," whose full name was Iguana, was born in Brazil. Mr. Scalzo said the scaly reptile would be "respectfully buried" in his back yard at 390 E. Montecito.

Day Camp Closes for Local Camp Fire Girls

The two-week Day Camp for Sierra Madre and Arcadia Camp Fire Girls came to a close Friday, July 21, with a carnival and guest day.

Twenty-one local Camp Fire Girls took part in the Day Camp which was held on the George Elkins tract, located at the extreme east end of Sierra Madre boulevard.

Campers agreed that the wooded section of land lent itself particularly well to their program planned around outdoor camping. Activities included cook-outs, overnight camping, nature crafts, clay work, and hiking.

According to Mrs. E. W. Carver, a volunteer Red Cross worker was on hand each day and left a record of no accidents during the Day Camp period. Clean tent awards were made daily, and the girls left the camp site in "fine condition" when they left, Mrs. Carver said.

Last week events included a trip to the Griffith Park Zoo on Wednesday and overnight camping on Thursday. Friday's carnival featured the displaying of craft work and the presentation of group stunts.

Sierra Madre girls who took part in the camp were Carol Blanke, Lorraine Blumenstock, Rita Bonney, Margaret Carter, Sarah Carver, Susan K. Dowty, Susan Edwards, Blythe Gentry, Marylou Gentry, Beverly Johnson, Marilyn Krutsch, Linda Jean Mark, Carol Ann Ogren.

Cynthia Jeanne Ross, Jana Rudbach, Kathleen Sauter, Karen Schmidt, Betty Lou Seaholm, Linda Willis, Judy Wodrich, and Shirley Wodrich.

HARRY C. BROWNE, Christian Science lecturer from Boston, Mass., will speak at the Hollywood Bowl Monday, July 31, at 8 p. m. Mr. Browne will speak on the subject, "Christian Science: The Revelation of God's Healing Spiritual Ideas." He is widely known for his weekly broadcast, heard every Sunday at 8:30 over KFI. Christian Science churches of Los Angeles are sponsoring the Hollywood Bowl meeting.

CITY JUDGE MEAD CONTINUES CASE

The case of Clarence Stephens, 27 N. Auburn, has been continued until next Saturday, July 29, at 10 a. m.

Mr. Stephens is charged with driving 35 miles per hour in a 25 mile zone and driving without an operator's license. City Judge John C. Mead continued the case to "give you a chance to apply for a new license."

Experiences of World War II Told Kiwanis

Army experiences of World War II were told Kiwanis Tuesday by David H. Allen, assistant cashier of the Bank of Sierra Madre.

Mr. Allen, who served as a lieutenant colonel in the U. S. Army, described his duties with Army quartermaster, ordnance,

and transportation units. Overseas for 38 months, Lt. Col. Allen related how he and his executive officer one day decided to get a "close up" view of the action raging in the Philippine Islands. The two officers drove a jeep several miles up a road, not realizing that they were past the American front lines and deep in Japanese-occupied territory.

"When several Filipinos enthusiastically greeted us as the long-awaited American liberators, it suddenly dawned on us that we shouldn't be there," he said.

Lt. Col. Allen said returning

to the American lines was made even more difficult when U. S. intelligence officers interviewed them at great length, wanting to know how they could have penetrated too far into enemy territory.

Visiting Kiwanian at the Tuesday noon luncheon was Sierra Madre City Councilman Henry Korsmeier.

Don't smoke in forest areas.

Be a good neighbor on the highway.

Better to be late than never—drive carefully!

Motorists Warned

To Park if Sleepy

"You bet your life if you drive when you are overtired," Commissioner Clifford E. Peterson of the California Highway Patrol warned motorists Monday.

In California last year, 104 tired or sleepy drivers were involved in fatal accidents, he stated.

"Don't chance it," the commissioner urged. "To continue under those conditions might send you to the morgue. Park well off the road and rest a bit."

ESCAPE MAY

From Page One

dore Rudolph, formerly lived with her two daughters at 246 N. Lima and, later, at 45 W. Highland. She now resides in Los Angeles, but police say Edison probably does not know this.

The families now living at these addresses are the William M. Knezevichs on Highland, and the Lawrence Naults on Lima.

The other escapee is Carillon J. Mehler, a sex criminal. Both men were wearing blue jackets and trousers, stamped "MSH," when they escaped Tuesday morning at 1 a. m.

ATHLETES FOOT GERM
AMAZING RESULTS
IN ONE HOUR

By using T-4-L, a STRONG, penetrating fungicide, you REACH imbedded germs to kill ON CONTACT. FEEL this quick-drying liquid take hold INSTANTLY. You must be pleased or your 40c back at any druggist, today at HARTMAN'S.

Police Corner
'Masked Man'

Police were alerted last Thursday to investigate "a masked man walking south on North Baldwin."

Not knowing exactly what to expect, the patrolmen sped to the area and rounded up the "desperado"—a 15-year-old Sierra Madre boy wearing a blue handkerchief over his lower face, a slouch hat, and having his hands tucked into his coat-sleeves to give the appearance of being shrunken.

"I just did it to see if anyone would recognize me," the boy said.

Officers patiently pointed out that masquerading as a bandit is a poor form of fun and could be dangerous.

Second Craft
Class Forms
At City School

Because of consistently-large attendance, an additional craft class has been scheduled for boys and girls of Sierra Madre.

The new class will meet Monday through Friday mornings, 10 to 12, in Room 12 at City School, according to Samuel E. McElfresh, city recreation director.

The morning class will offer instruction in general craft work, including textile painting, jewelry, and carving. Help also will be given model airplane and boat builders. Instructor of the morning class is Mrs. Lorna Little, a craft teacher in Palm Springs and former resident of Sierra Madre.

Except for the model kits, the only cost to local youngsters

will be the actual cost of materials, Mr. McElfresh said.

The recreation director reports Mrs. Lola McCrum's afternoon class in copper, leather, and wood burning work has been averaging nearly 50 youngsters.

"To lessen the burden on Mrs. McCrum, we began operation of the morning class this week," he said. "Both classes will continue through the summer, and boys and girls are invited to attend either or both."

The afternoon class also meets in Room 12 of the school from 1 to 3 o'clock.

Friends Seek
Shoes, Clothes,
For Overseas

An appeal for shoes and clothing to be sent needy residents of war-devastated areas

was made this week by the Pasadena office of the American Friends Service Committee, 426 N. Raymond Avenue.

Dr. E. Roberts Richie, voicing the appeal on behalf of the Material Aids branch of the local AFSC, said the aim of the current drive is to replenish worn and damaged garments of students and workers in these countries.

"In spite of a general feeling that 'things are looking up' for people in Europe and Asia, many will be unable to go on working or attending classes unless they can replace their street clothing," Dr. Richie said.

He asked donors to bring or mail contributions — usable clothing—to the AFSC warehouse, 501 N. Raymond avenue. To save the funds of its contributors, AFSC has no pick-up service.

Jay walkers sometimes are late walkers.

Be an expert driver—not an ex-spurt driver.

Guest Rabbi
Will Address
Jewish Center

Guest speaker at the Foot-hill Jewish Community Center tomorrow evening, July 28, will be Rabbi Michael Slatinsky, prominent teacher of Hebrew and Jewish studies with the Bureau of Jewish Education in Los Angeles.

Rabbi Slatinsky will speak on a subject of current interest to all and will conduct the regular Sabbath service which begins at 8:30 o'clock.

A social hour will follow the services, with Board members serving as hosts and hostesses.

All members, friends, and newcomer to Sierra Madre are invited to attend the service. The center is located at 212 N. Lima.

George Cox,
Former Police
Chief, Dies

George H. Cox, a prominent resident of Sierra Madre for 38 years, passed away suddenly Sunday, July 23.

A city official for many years, Mr. Cox served as chief of police in 1928 and 1929 and was city building inspector for several years.

Mr. Cox was a Spanish-American War veteran, having served in the Philippine Islands as a bugler in Company H, 12th Infantry Regiment. He was a member of the local VFW Post.

In Sierra Madre, Mr. Cox resided at 70 E. Montecito where he maintained a metal and electrical workshop. He was born at Harlan, Iowa.

Mr. Cox is survived by his wife, Clara T.; two brothers, Earl Cox of Paradise, Calif., and O. E. Cox of San Jose; and three sisters, Mrs. Nellie Williams and Mrs. Sylvia Day, both of Paradise, and Mrs. W. E. Pritchard of Southgate.

Funeral services were conducted yesterday afternoon, 2 o'clock, at Grant Chapel, the Rev. Carl Smith officiating. Spanish-American War Veterans of Monrovia were in charge of graveside rites. Interment was at Sierra Madre Cemetery.

Polio Prevention

Tips Suggested

With the peak polio season approaching, the National Foundation for Infantile Paralysis this week urged local citizens to observe a few elementary precautions to help ward off the disease.

According to Mrs. Richard White, executive secretary of the polio mercy group of Los Angeles, the keynote of polio prevention is "to be sensible in all activities." She recommends:

1. Keep children with their own friends and away from people they have not been with right along;
2. Don't become exhausted through work or hard play;
3. Don't stay too long in cold water or sit around in wet clothes;
4. Wash hands before eating;
- And 5. Watch for feverishness, sore throat, headache, upset stomach, or sore muscles; they may—or may not—mean polio.

Ullman Says
Guard Ranks
Still Open

Enlistments still are open in the Sierra Madre Heavy Mortar Company, California National Guard, Commanding Officer Capt. Sanford M. Ullman said this week.

Men interested in joining the Guard are asked to contact Sgt. Joe Wolcott at company headquarters in the City Hall basement.

Captain Ullman pointed out that weekly drill sessions of the unit are being stepped up to "regular Army tempo." No mobilization orders have been received as yet, he said.

Dinner Notes 25th Anniversary Of Mr., Mrs. Herbert Dowding

Mr. and Mrs. Herbert S. Dowding of 514 Ramona were feted on their Silver Wedding anniversary Tuesday with a dinner party at the home of Mr. and Mrs. Frank Plaskett of Monrovia. Mrs. Clem White was co-hostess.

Mr. and Mrs. Dowding were married at Vancouver, B.C., July 25, 1925. They have lived in Sierra Madre for the past 20 years and have two daughters, Kathryn (Mrs. J. D. Hetherington of South Pasadena), and Lillias Dowding. Lillias is here vacationing from her teaching position in Lamont, Calif.

The Dowdings recently returned from a vacation trip to Chicago, Ill., and Hicksville, Ohio. While in Ohio they were guests of Mr. and Mrs. Clarence G. Huntsinger, formerly of Sierra Madre.

Davis-Jenkins Wedding Here Saturday Eve

More than 150 friends have been bidden to the formal marriage ceremony at the Congregational Church which will unite Katherine Emily Davis, daughter of Mr. and Mrs. Rudolph Davis, 170 N. Adams, and Robert Parker Jenkins, son of Mr. and Mrs. Loren Jenkins of West Sierra Madre boulevard, at 8 p.m., Saturday, July 29.

After a reception at the bride's home, the couple will leave on a two-week trip through Northern California. They will make their home in Sierra Madre.

DESTINATION: YELLOWSTONE PARK

Dr. and Mrs. Nathan Jacobs and sons, Philip and Paul, will be away from their Mariposa avenue home for two weeks while they tour California. They expect to spend several days at Yellowstone National Park.

Monrovia Wedding For Mary Cahill And Robert Webster

Announcement of the forthcoming wedding of Mary Louise Cahill to Robert L. Webster, was made recently by Mr. and Mrs. William D. Cahill Jr. of 470 W. Sierra Madre boulevard. Vows will be read at 4 o'clock Thursday afternoon, August 3, in the First Christian Church of Monrovia.

Mary Louise, a Citrus College graduate, has been with the Monrovia Telephone Company for two years. Mr. Webster, son of Mr. and Mrs. W. T. Webster of Monrovia, is a graduate of Monrovia High School.

Ascension Altar Chosen for Wedding Of Arcadia Couple

Fr. Harley G. Smith of the Episcopal Church of Ascension will officiate at the nuptials of Peggy Lou Rowley, daughter of Mr. and Mrs. John Thomas Rowley of Arcadia, and Richard Gordon Watson, son of Gordon Watson of San Pedro. They will be married at the local Ascension church on Saturday, August 5, at 7 p.m.

Miss Rowley is a PCC graduate and Mr. Watson attended Cal-Poly at San Luis Obispo. They will live in Pasadena.

WEEKEND HERE

Mrs. Flora Olmstead of Burbank was a weekend guest at the home of her nephew, V. T. Pratt and family of 243 Santa Anita Court.

HOWARD WHALEN WILL OPERATE CERAMIC STUDIO

Local sculptor Howard Whalen announced this week that he has gone into his own ceramic business, Whalen's Ceramic Hut at 3104 E. Colorado in Pasadena.

Since his arrival in Sierra Madre nearly four years ago, Mr. Whalen has been designer and foreman at McCullough's Pottery here. Some of his creations include the Chinese Flute and Lute players and Carnival figures. He recently completed a relief sculpture in the new Bell Gardens High School auditorium.

In his new business, Mr. Whalen plans to display contemporary sculpture, hold modeling and sculpturing classes, and create individual pieces for sale. His wife, Jo Whalen, will handle the gift department.

The Whalens came to Sierra Madre from Detroit, Michigan, where Mr. Whalen taught ceramics and modeling at the University of Michigan Architectural College. He studied sculpturing at the Cranbrook Art Foundation near Detroit.

Mr. and Mrs. Whalen make their home at 686 Woodland Drive in Sierra Madre Canyon.

Wife, Sons of Army Man To Leave Manila

Mr. and Mrs. A. C. Davis of Belle Vista Terrace, received word this week that their daughter, Mrs. Marjorie Fager, wife of Warrant Officer J. G. Howard Fager, may be flying home from Manila the first part of September.

Although Warrant Officer Fager's two-year term of overseas duty is up September 2, it is believed he will be sent on to Japan. He is a weather forecaster with the Air Force.

Mrs. Fager and sons, Michael, 3, and Scott, 2 months, have been in the Philippines since June of 1949.

When the Eastern emergency is over, Warrant Officer Fager, a regular army man, will be stationed at Silver Lake Air Base near Portland, Oregon. Mrs. Fager hopes to reside in Sierra Madre until his return.

ATTORNEY SPENDS WEEK WITH SISTER

Last week Mr. and Mrs. Franklin A. Franco of 409 N. Mountain Trail, entertained Mrs. Franco's brother and wife, Mr. and Mrs. James V. Lione of Jackson Heights, New York. Mr. Lione is general attorney for the New York City Railway Express. This is his first visit to Southern California.

Underwoods On Trip To Rogue River

Mr. and Mrs. William Underwood of 770 Canyon Crest Drive, leave this weekend for two weeks fishing and touring in Rogue River, Oregon. Mrs. Underwood (Dottie) is advertising manager of the NEWS.

They will be accompanied by Mr. and Mrs. H. Aldridge of Monrovia. While in Rogue River, they will be guests at the Lott Kilmer home.

FROM ARROYO GRANDE

Mr. and Mrs. J. Chester White of Arroyo Grande, Calif., spent the night recently at the home of Mrs. White's sister and family, Mr. and Mrs. D.R. Moote of West Sierra Madre boulevard.

N. Y. Tenor, Family Visit Dr. Nelsons

Mr. and Mrs. Robert J. Taverjian and daughter, Karen Rae, of New York City, have been spending the past few weeks at the home of Mr. and Mrs. David F. Nelson on West Carter. Mrs. Taverjian is the daughter of Mr. Nelson.

Mr. Taverjian, a tenor, is auditioning here on the West Coast. He is a graduate of U.C. L.A., Juilliard School of Music, and received his Master of Music degree at Columbia University.

The former Carmen Barela whose wedding vows were made to James Lyman Walters of Altadena at St. Rita's Church recently.

Fall Wedding

In Beaumont for Joan Clougherty

Mr. and Mrs. Joseph Edward Clougherty of Beaumont, Calif., have announced the engagement and forthcoming marriage of their daughter, Mary Joan Clougherty, to Richard Gordon Thomas of Beaumont.

The wedding will take place Sunday, September 24, in the Community Presbyterian Church of Beaumont. Rev. Carl Smith of the Sierra Madre Congregational Church will officiate.

The Clougherty family resided in Sierra Madre for many years before moving to Beaumont in 1949. Mary Joan is a graduate of PCC.

OUT OF TOWN

Mrs. Josephine Marr and Mrs. C. A. Vane of this city spent Wednesday in Palos Verdes and Inglewood.

LEGAL NOTICE

INVITATION TO BIDDERS

Notice is hereby given that the City Council of Sierra Madre, at its regular meeting to be held August 8, 1950, at the hour of 8:00 o'clock P. M. in the Council Chambers located in the City Hall of the City of Sierra Madre, will receive and open bids for the purchase of a three-quarter ton pick-up truck in accordance with specifications thereon on file in the office of the City Clerk of the City of Sierra Madre.

The City of Sierra Madre also invites bids for the sale of a 1940 Chevrolet three-quarter ton pick-up truck having motor Number DR 100897 and the sale of a 1938 Ford one-half ton pick-up truck having motor Number 18-4220930. It is desirable that the bidder for furnishing of the new truck include in his bid an allowance for trade-in of the used trucks. However, bids will be received for the used trucks separately, and the bids opened at the same time as for purchase of the new truck.

Attention is directed to Specification regarding Time of Delivery. Delivery is required within 90 days after mailing of award of bid to the successful bidder.

The City Council reserves the right to reject any and all bids not deemed advantageous to the City of Sierra Madre.

By order of the City Council.
Dated July 25, 1950.

Scout Due Home

From Catalina

Sierra Madrean Muir Thompson is expected to return home today after spending the past 10 days at the Boy Scout Summer Camp at Cherry Valley on Catalina Island.

Muir was among 164 Scouts of the Pasadena-San Gabriel Valley Council attending the camp. This was the first Scout camp of the season, and three more are planned this summer.

According to Richard W. Lees, Sierra Madre District Committeeman, applications still are being taken for a mountain camp, scheduled for Aug. 29 through Sept. 7.

Dr. Billy Graham Sees 100,000 At

Rose Bowl Rally

Local delegates are being organized for attendance Thursday, Sept. 14, at the Mid-Century Rose Bowl Rally, at which the nationally prominent evangelist, Dr. Billy Graham, will speak, accompanied by the New England evangelists team.

Dr. Graham has preached to more than 750,000 persons in the last 10 months, but his visit to Pasadena is expected to be the largest one-night evangelistic service in American history.

According to the sponsoring committee, he has drawn crowds as large as 70,000 in recent months, but 100,000 Southerners are foreseen for the Rose Bowl meeting, with a large delegation from Sierra Madre.

BUILDING IDEAS

When you begin the planning of a new home there are many decisions to make as to the choice of materials. This is particularly true as to interior walls — something you're going to look at for a long time.

If you are considering having one or more of your rooms finished in wood, or insulation plank, you'll enjoy seeing the displays and the materials at our yard. We believe you'll be helped considerably in selecting the proper plywood, lumber, or insulation board to suit your personal taste.

And we have good, dependable lumber for your construction work.

Let us serve you.

U. S. Post Office to Issue State Stamp

Philatelists, take note: On Sept. 9, 1950, the U. S. Post Office Department will issue a new stamp commemorating the centennial of California statehood.

For collectors, the Tulare County Chapter of the March of Dimes is sponsoring a First Day Cover and a special cachet for these three-cent stamps.

Collectors wanting copies of these covers should send donations—the minimum cost for one is 15 cents—to March of Dimes, Tulare County, California. Proceeds from larger donations will go to the polio-fighting agency.

Recorded Lots Soar In County

During the first half of 1950, nearly twice as many lots were recorded in Los Angeles County as in any other similar period since World War II, according to Arthur H. Adams, director of planning of the Regional Planning Commission.

In the first six months of 1950, 34,468 lots were recorded in the county. These lots were contained in 398 subdivisions. Nearly two-thirds of the lots recorded are situated in the unincorporated portions of the county. Mr. Adams said this is a continuation of a trend which began in the last part of 1949.

LEGAL NOTICE

NOTICE TO CREDITORS
 No. Pasadena P-9654
 IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF LOS ANGELES:

IN THE MATTER OF THE ESTATE OF HENRY ROCKWELL COIT, also known as HENRY R. COIT, also known as H. R. COIT, Deceased.

Notice is hereby given to creditors having claims against the above-named decedent to file said claims in the office of the clerk of the aforesaid court or to present them to the undersigned at the office of his attorney, Dora Dukeshire, 383 West Grandview Avenue, in the City of Sierra Madre, in the aforesaid County, which latter office is the place of business of the undersigned in all matters pertaining to said estate. Such claims with the necessary vouchers must be filed within six months after the first publication of this notice.

Dated July 20, 1950.
 HENRY W. COIT,
 Executor of the will of said decedent.

GOING ON A TRIP?

Let us put your car in TRIP TRIM with this 8 point routine

1 Check your battery, make sure it's fully charged, has plenty of water. Inspect and clean battery cables.

2 Check your tires — spare, too — for soundness, right pressure. Remove foreign particles.

3 Drain crankcase — refill with wear-saving "RPM".

4 Get rid of squeaks by expert chassis lubrication. Service air cleaner and oil breather cap.

5 Drain gear cases, refill with RPM Gear Lubricant.

6 Clean, inspect and repack front wheel bearings.

7 Check—and replenish if necessary—master brake cylinder and shock absorbers.

8 Top off with power-packed Chevron Supreme Gasoline — ready for the highway!

Local Girls

Attend Camp

Camp Wasegan in the San Bernardino Mountains is luring many Sierra Madre Camp Fire Girls this summer. Eleven local girls already have attended sessions at this camp, and 11 others are signed up for later trips this summer.

Those who already have enjoyed stays at Camp Wasegan are Jill and Jackie Dunning, Rita Bonney, Ernestine McGary, Kathleen Sauter, Alex and Elissa Batterson, Shirley Cook, Sarah Carver, and Elise Parker.

Registered for camps throughout the remainder of the summer include Gail Higgins, Laurie Perrin, Carolyn Powell, Barbara Bancroft, Michael-Anne Mitchell, Phronsie Thompson, Blythe Gentry, Carol Hart, Eloise Velasquez, Diane Weston, and Shirley Wodrich.

Miss Joan Young and Miss Dee Harris are at camp for the summer as counselors. Camp Wasegan opened July 6 and will close its season on Aug. 27.

VA OFFERS JOBS FOR THERAPISTS

The U. S. Civil Service Commission this week is announcing examinations for occupational therapists, physical therapists, and pharmacists jobs, paying from \$3100 to \$4600 a year.

Positions are offered in hospitals and regional offices of the Veterans Administration throughout the United States and Puerto Rico. Applications, mailed to the Executive Secretary, committee of expert examiners, Veterans Administration, Washington, D. C., will be accepted until further notice.

VFW Softballers

Battle For League

Playoff Position

The Sierra Madre VFW softball team will be battling with four other teams this week to see who will win the two remaining playoff positions in the AA-1 Brookside Park Owl League.

Pasadena Post Office and Eagles Lodge already have qualified for two of the four playoff spots. Playoff games in the league will start next week.

The local veterans, with a 7½ win, 5½ loss record, will be competing with the Pasadena Police Department, 6½ and 6½; Ives and Warren Mortuary, 6½ and 6½; and Pacific Telephone, 6 wins and 7 losses.

This is the crucial week for the Sierra Madre vets, who last week slipped from second to third place in the league standings. The VFWers are expected to meet Ives and Warren in this week's game.

JOHN RAITT TO STAR IN 'RIO RITA'

Third in Gene Mann's outdoor musical productions at the Greek Theater in Griffith Park is "Rio Rita," perennial operetta favorite starring Pasadena's John Raitt, Marina Koshetz, and Pinky Lee. The "south of the border" story begins a two-week engagement Monday, July 31.

With a score by Harry Tierney and Joe McCarthy, and the book by Guy Bolton and Fred Thompson, "Rio Rita" revolves around the escapades of the Kinkajou, romantic Mexican bandit with a place in society similar to Robin Hood.

Supporting cast includes Marty Maye, Betty Bruce, George Givot, Mary Treen, Lindsay Workman, Thayer Roberts, Jenina Carroll, along with the Greek Theater's singing and dancing chorus.

Crowley Lake Closes Fish Season July 31

Crowley Lake in the High Sierras—operated by the Los Angeles City Recreation and Park Department—will close its 1950 trout fishing season on Monday, July 31.

Famous for its fighting trout, the reservoir offers rental of LA-owned motorboats and rowboats for anglers. For reservations, call the recreation and park department.

Pomona Fair Will Offer Cash Prizes

The Los Angeles County Fair in Pomona, Sept. 15 through Oct. 1, will distribute \$180,000 in cash and trophy awards, it was announced this week by President-Manager C. B. Afferbaugh.

As the annual exposition swung into the final stage of intensive preparations, Mr. Afferbaugh said more than 100 judges will preside over 7000 individual contestants in placing the awards.

As an interesting sidelight, the manager explained that more than two miles of variously colored ribbons are required for making the ribbon awards.

Hollywood Bowl Pageant Will Honor Statehood

"The California Story," a pageant spectacle to portray the dramatic history of California, will be presented at the Hollywood Bowl, Sept. 8, 9, 10, 11 and 12.

Planned as Los Angeles' tribute to the 100th year of California statehood, the event is being sponsored by the County Centennials Celebrations Inc.

According to Raymond V. Darby, president, the pageant will interpret the meaning of the pioneer movements in the light of what Californians possess as a priceless heritage to day.

POLIO PRECAUTIONS

RECOMMENDED BY
THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

WHEN POLIO IS AROUND, the National Foundation for Infantile Paralysis recommends these simple precautions: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay too long in cold water or sit around in wet clothes. And always wash hands before eating. Watch for feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. Call your doctor and then, if help is needed contact the National Foundation Chapter in your area.

Back-yard Burning A Source of Smog, Gordon Larson Says

Your back-yard incinerator burns only a small amount of material, but—

Ninety per cent of the particles emitted from such burning in Sierra Madre and other areas of Los Angeles County are so minute they remain in the air for an indefinite period, according to tests just completed by the Air Pollution Control District.

"These pollutants, added to other contaminants, definitely contribute to the haze and cause decreased visibility," Smog Chief Gordon P. Larson said this week.

Large amounts of rubbish also are burned by industrial and commercial organizations producing an amount of smoke about equal to the back-yard volume, Mr. Larson pointed out.

"But these companies are compelled to install costly burning equipment, with the result that most of their smoke problem is on the way to solution," he said.

**So this is
HOUSEKEEPING**
BY ENRIQUE STUART

For some unknown reason, brides are generally looked upon by the rest of the sisterhood as being a trifle on the stupid side. The fact of the matter is that a bride has to be smartly alert for all kinds of facts for future reference in eventually running a successful home.

Take the other evening when my favorite spouse and I were invited to dinner at the home of friends. I was anxious to see how Marie managed a home, a husband, and a three months old baby.

Digging in after dinner to help with the dishes, the first thing I noticed was a small bottle of milk. Marie had been using a bottle brush to scrub off the milk film. Then I learned some facts on time, money, and drudgery-saving.

It seems Marie had been having too many sessions with broken nursing bottles and finally took her woes to a clerk at a baby counter. When the clerk discovered she had been using a bottle brush he explained that the brush was responsible for much of the trouble. Apparently among hardware men an established trick for breaking glass smoothly is to first score or scratch the surface with a hard instrument. When force is applied the glass breaks cleanly along the score mark. The same principle, the clerk pointed out, applies in using a wire-handled brush when cleaning baby nursing bottles. The metal end of the brush weakens the glass with tiny, almost unnoticeable scratches which are sufficient to break the bottle when it is subjected to a slight jar or to quick heating or cooling.

The clerk gave my friend some Evenflo brushless baby bottle cleanser which solved the whole problem. A tablespoonful in warm water quickly dissolves and removes the milk film in baby bottles and leaves them sparkling clean. Now there's a bit of information that might come in handy some day!

Schools, Colleges Get 119,597 X-Rays

Schools and colleges of Los Angeles County have totalled 119,597 free chest x-ray films since the X-Ray Survey began its spring semester campaign to check tuberculosis.

One hundred and four junior and senior high schools and colleges have completed their surveys of all students 15 years of age and older. In Los Angeles city, students set an enviable 94 per cent participation record.

The fall survey will get underway in October with school districts of the San Gabriel Valley earmarked for speedy attention.

Half State Residents Receive Hospital Aid

More than five and a half million Californians — about one out of every two persons in this state—went to a California hospital last year for relief from ailments ranging in severity from minor cuts to advanced cancer.

The Association of California Hospitals, speaking through Thomas P. Langton, administrator, disclosed:

1. A total of 1,178,015 persons were admitted by 346 reporting hospitals.

2. Another, 4,450,288 outpatient visits were reported by these hospitals maintaining outpatient facilities.

PHILLIPS' PLAY HELD OVER; ENDS SUNDAY

The popular appeal of "One Foot in Heaven," Irving Phillips' refreshing dramatization of Hartzell Spence's humorous novel about a small-town minister and his family, finds the play's run being extended an additional week to accommodate advanced registrations, Pasadena Playhouse officials announced this week.

Originally scheduled to close Sunday, July 23, the three-way family play now is slated for a Sunday, July 30, final curtain.

Included in the top-flight cast are Byron Foulger, Dorothy Adams, Rachel Foulger, Ralph Cookson, Roy Renner, Gail Bonney, Kenneth Smith, Meryl Renner, Katherine Sims, and Norma Ewing.

Lions International Elects H. C. Petry

Herbert C. Petry Jr. of Carizo Springs, Texas, is the new president of the International Association of Lions Clubs. He was elected at the 33rd annual convention of Lions International which closed in Chicago last week.

An attorney and businessman, Mr. Petry is a member of the State Bar Association of Texas and the American Bar Association. He succeeds Walter C. Fisher of Ontario, Canada, as president.

Clubs May View Rose Parade Film

Pasadena Tournament of Roses officials almost always are more than happy to come before organizations of San Gabriel Valley communities and show the official Rose Parade films of 1950.

Program chairmen of local clubs should contact the Tournament of Roses Association for arrangements. Last week, the Sierra Madre Kiwanis Club viewed the color movies.

A visit to the world-renowned Palomar Observatory is the piece de resistance of this delightful journey through San Diego's picturesque back country. The course points out a diversified assortment of beautiful mountain, valley and seashore scenery and affords an ideal Sunday outing for motorists residing in the southern sections of the State.

● Impressive San Luis Rey Mission and its outpost at Pala are interesting landmarks. The latter was established especially for the Indians and still is used by them as a place of worship. It is said that the padres converted more than 1,000 Indians in the first two years after the chapel was opened...

● The roadway leading to the Palomar Observatory is known appropriately as the Highway to the Stars. It is steep in spots and many long curves will be encountered. However, the trip is well worth the effort as the panoramic scenes hereabout are spectacularly beautiful, particularly from the plateau upon which the "Big Eye" is located...

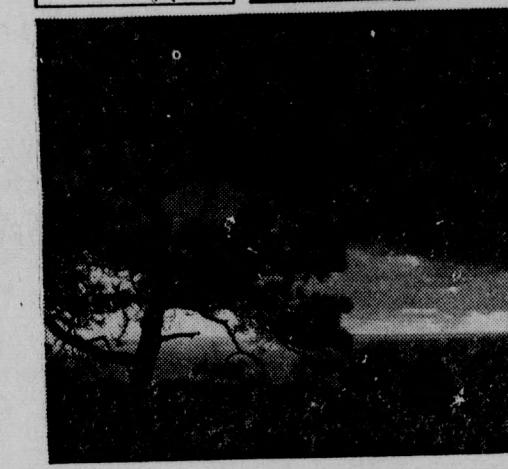

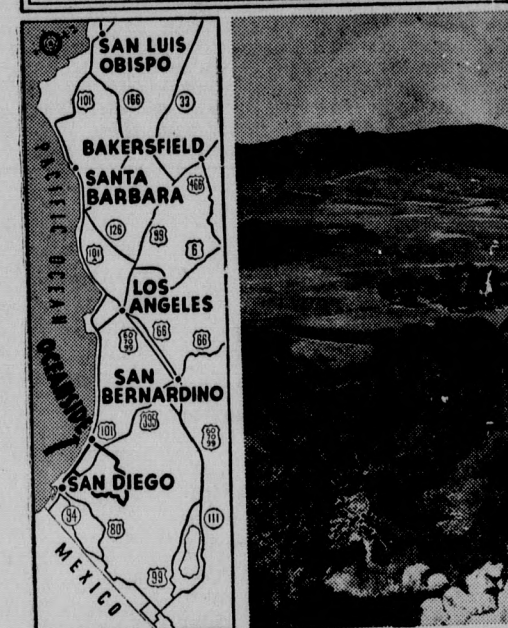

● The Observatory blankets most of a 720-acre plateau, the world's largest telescope with its giant 200-inch lens being housed in a large domed-shaped building (top photo), that rises some 12 stories high. Visitors are admitted free daily from 9:30 a.m. to 4:30 p.m. and they are permitted to walk up to the heart of the dome, from where they may see the huge telescope and its mechanism through glass walls...

● The course passes near Lake Henshaw, a popular year-around resort for fresh water fishermen. Center photo shows typical valley scene of the area around Ramona, one of America's leading turkey and poultry centers...

● As the course returns toward the seashore, several unique Torrey pines (lower photo) may be noted in the vicinity of Torrey Pines City Park. The beach towns between here and Oceanside are among California's most charming resort communities.

Highway Patrol

Clarifies Signal

Device Confusion

With a large number of new cars equipped with lamp-type directional lights, some confusion has arisen as to their use, Clifford E. Peterson, commissioner of the California Highway Patrol stated this week.

The driver of a car so equipped with devices approved by the patrol is not required to augment them with hand and arm signals, he pointed out.

Explaining that the confusion has caused accidents, Mr. Peterson said that the California State Vehicle Code required that signals shall be given in any one of three approved ways—by hand and arm, by signal lamp, or by a mechanical signaling device.

TELEPHONE SERVICE

a bigger bargain than ever

The yardstick for measuring the value of telephone service is the number of telephones in use — the number of people you can reach by 'phone, and the number who can reach you.

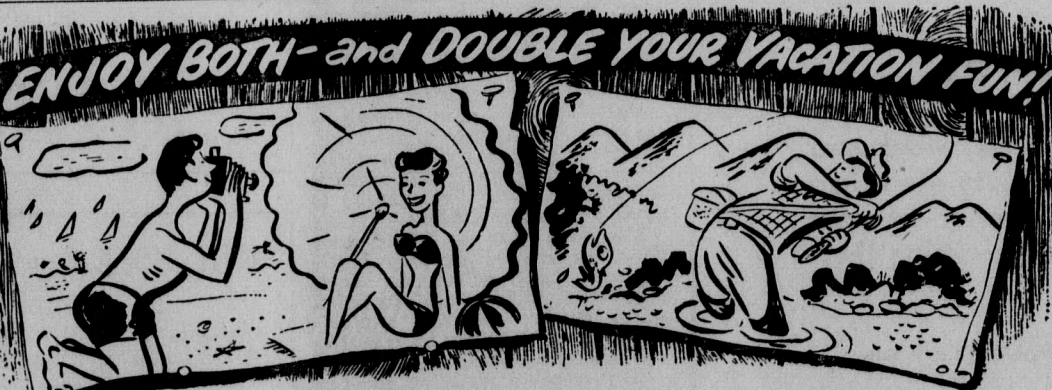

During the past ten years the number of telephones has grown enormously — there are nearly twice as many in the United States today as there were in 1940, three times as many in the system that serves you.

However, in spite of the tremendous expansion in value, the price you pay for telephone service has risen only 14 per cent (based on exchange rate average), while operating expenses have gone up 96 per cent, and the general cost of living 66 per cent.

Knowing these facts it is easy to understand why telephone service is one of today's biggest bargains.

FIRE! FIRE! FIRE!

... Our Mountains Are On Fire!

Don't let this cry happen in Sierra Madre. We can pay the
two and one-half million dollars fire insurance written through
our office, but we can't pay for the effect on the people that
a conflagration would cause.

... Prevent it by care before it starts
